

Honors Research I Enrollment Form

Students in the Honors Program are expected to complete four semesters of Honors Research. This research experience needs to be supervised by a faculty member. Adjunct faculty cannot supervise honors research. Once approved by the Honors Program Director, an Honors Research course will be created by the registrar with the faculty member listed below as the instructor of record. The honors student will also be enrolled in this course.

Date	
Honors Student Name	
N Number	
Major(s)	
Academic Advisor	
Requested Research Advisor	
N Number	

A signed copy of this document is due to the Honors Program Office by March 1 (if planning to take HCOL 3401 in the fall) or September 30 (if planning to take HCOL 3401 in the spring).

Honors Student		Date	
_____		_____	
Research Advisor		Date
